4th Annual

Hosted by

Faith Assembly

For the last seven years we have been privileged to reach out to the families in our community through Upward, an evangelistic sports ministry specifically designed for K5 through eighth grade boys and girls. Upward is a league where every child plays, every child learns, and every child is a winner. Unlike most youth sports programs, Upward has a different approach and purpose. They define winning as learning and teaching lessons in the game of life. The emphasis is placed on having fun and good sportsmanship, living a life of integrity, and striving for excellence.

We are hosting this golf tournament to raise funds to make a larger impact on the children and families of our community through the ministry of Upward in our church. The funds raised will enable us to buy equipment for our basketball league, our flag football league, and award scholarships to families to help pay for their child's registration fees. Upward has been a great experience for hundreds of children and families, and we want to make it even bigger and better as we continue sharing the love of God through basketball, flag football, and cheerleading.

Please consider becoming a sponsor. The levels of sponsorship and the benefits for your business are listed. We estimate our weekly game attendance to be around 500-600, and the end of the season celebration attendance to be around 500.

Whether you will be playing in the tournament or sponsoring it, we thank you for helping us let every child play, every child learn, and every child win. We are looking forward to a great day of golf and a great season of Upward.

Sincerely,

Phil Goss
Pastor, Faith Assembly of God
