One of the greatest challenges as women is taking time to stop and cease from all the activities and busyness. We constantly strive to complete the limitless to-do lists that hinder us from experiencing all that God has for us because we rush ahead to the next thing. By neglecting time for tranquility, serenity, and repose, we limit our Christlikeness and miss out on some of God's greatest gifts. Join us for a time to just **Breathe**.

It is time for us to breathe and build margin into our lives for God. Sabbath was intended as a gift, and it is still a gift to us today. If you are weary, worn out, and exhausted, the concept of Sabbath will change your life.
